

PRESS RELEASE

Boulogne, January 16, 2014

APPOINTMENT

Christophe LIENARD has been appointed Chief Equipment and Innovation Officer for the Colas Group.

A graduate of Arts et Métiers Paris Tech, **Christophe LIENARD**, 51, has a postgraduate degree in energy conversion machines and an Executive MBA ICG. He began his career in the Industrial Air division at Swedish manufacturer Atlas Copco. In 1999, he moved on to the Anovo Group, where he served as Deputy CEO from 2003 to 2010.

In 2011, he joined the Colas Group as Industries Manager at Aximum, a subsidiary specialized in road safety and traffic management.

The Colas Group

The Colas Group is a leader in the construction and maintenance of transport infrastructure. With 63,000 employees in nearly 50 countries on five continents, the Group performs 100,000 projects each year via 800 works centers and 1,400 materials production sites.

In 2012, Colas posted 13 billion euros of consolidated revenue (44% outside of France). Net profit attributable to the Group amounted to 302 million euros.
